

Dressmaking

Things we need:

120 x 150 cm clean white cloth, e.g. an old bed sheet

60 – 70 old washed plastic cups

elastic waisband

scissors

needle

white thread

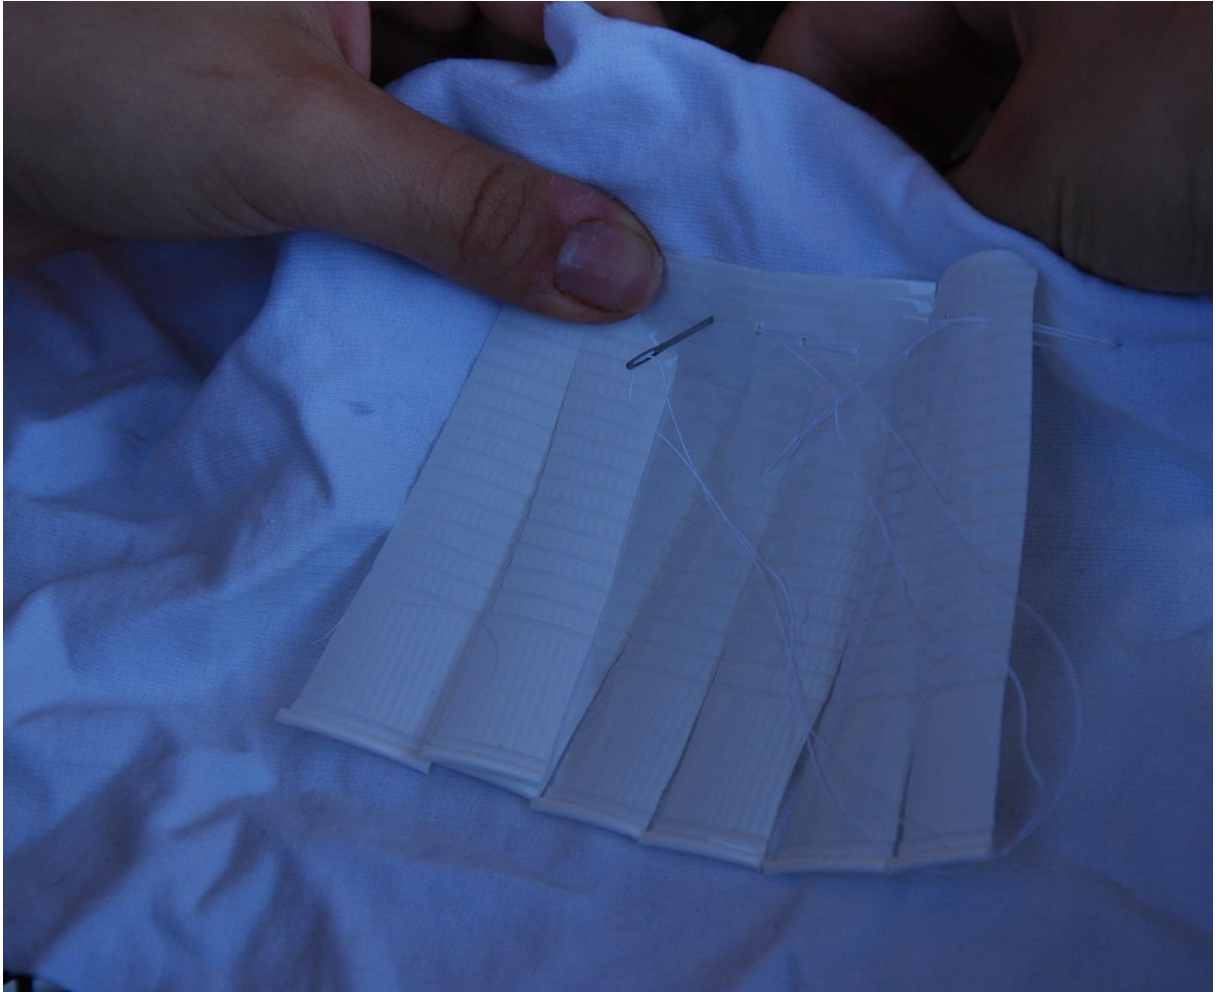

Procedure:

- 1) Cut the plastic cups into thin strips as it is shown in the picture. Cut off the bottoms of the cups.

- 2) Fold the longer lower part of the cloth and sew a hem.
- 3) Fold the longer upper part of the cloth and sew a tunnel for the elastic band.
- 4) Sew the strips of the cups on the white cloth so that they make a fringe.
Make a few lines.

- 5) Sew the short parts of the cloth together to make a tunnel.
- 6) Draw the elastic rubber into the upper tunnel and sew it.

7) Mark a line for waist and sew up the elastic rubber into the waist.
